## ORDER

**Sub:** Constitution of the Institutional Human Ethics committee for Research  
**Ref:** Approval of the Hon'ble Vice Chancellor dated:30.03.2017

\*\*\*\*\*

### **PREAMBE:**

The University is executing several research projects, which involve experiments on blood cells/samples/biological fluids of healthy individuals and diseased individuals. It is with view to have a regulatory control over unnecessary experimentation and using the blood cells/samples/biological fluids and cells etc. without proper justification, it has become necessary to constitute the **Institutional Human Ethics committee for Research** to monitor these aspects. Hence, this order is issued.

**No.Tu: DEV-02:2016-17 /4039**

**Dated: 30.03.2017**

Pursuant to the Approval of the vice Chancellor Institutional Human Ethical committee for Research is issued.
