## ORDER

**Sub:** Constitution of the Institutional Human Ethics committee for Research  
**Ref:** Approval of the Hon'ble Vice Chancellor dated:28.02.2020

\*\*\*\*\*

### PREAMBE:

The University is executing several research projects, which involve experiments on blood cells/samples/biological fluids of healthy individuals and diseased individuals. It is with view to have a regulatory control over unnecessary experimentation and using the blood cells/samples/biological fluids and cells etc. without proper justification, it has become necessary to constitute the **Institutional Human Ethics committee for Research** to monitor these aspects. Hence, this order is issued.
