PREAMBLE

Education is critical for realizing one's full potential, creating a more just and equal community, and advancing national progress. In terms of economic growth, social fairness and equality, scientific advancement, national integration, and cultural preservation, ensuring universal access to high-quality education is critical to India's continuing rise and leadership on the world arena. In this context, universal high-quality education is the most effective path ahead for developing and exploiting our country's vast skills and resources for the benefit of individuals, community, country, and globe. Over the next decade, India will have the world's largest young population, and our capacity to offer them with high-quality education and employment opportunities will decide the future of the country.

The Government of Karnataka had set up the State Education Policy (SEP) Task Force in 2023, the committee gave its recommendations in May 2024. As a result, Tumkur University, Tumakuru also took necessary steps to implement the SEP (2024-2025 academic year) and to go far beyond the traditional information creation and dissemination by incorporating them for a breakthrough with wider social and economic consequences.

The Board of Studies (BOS) in Political Science (UG), Tumkur University intends to make substantial changes to its undergraduate and graduate programs to satisfy the needs of students with a diverse set of talents, aspirations, and professional objectives. In this context, the syllabus is prepared to equip the students to understand Political Science discipline in term of the basic concepts, thoughts and theories; critically relate the theoretical aspects of Political Science to the socio- economic and political realities, and to enhance the knowledge of the students on regional, national and global politics.
