

REPORT OF THE NATIONAL CONFERENCE

University Grants Commission Bangalore has been sanctioned the grant of Rs. 100,000/- (Rupees One Lakh) and now released the grant of Rs. 80,000/- (Rupees Eighty Thousand only) to conduct the Two-Day National Conference on “**Gandhian Philosophy and Recent Trends in India**”. The date of the Conference was fixed on 05th & 06th October 2015 venue at Sir. M. Visvesvaraya Auditorium.

The inaugural function of the Conference was held on 05th October 2015, Monday with the invocation by the student Rajesh and team as well as welcome address was given by Dr. Mouneshwara Srinivasrao, Organizing Secretary of the conference. He welcomed the guests who were presented on the dais i.e. K.N. Rajanna M.L.A. of Madhugiri Constituency & President, The Karnataka State Co-operative Apex Bank Ltd., Prof. Ravivarma Kumar Advocate General for Karnataka, Prof. A.H. Rajasab Vice-chancellor of Tumkur University, Prof. D. Shivalingaiah Registrar of Tumkur University, Dr. M. Jayaramu Principal University College of Arts, Sri. B. Kariyanna Vice-Principal University College of Arts, Chairpersons, Resource Persons Paper presenters and delegates who arrived to the conference media persons, Syndicate, Academic Council members and dignitaries arrived from the Tumakuru City.

K.N. Rajanna and all guests were together lighting the lamp and flowerily felicitated to Photo of Mahatma Gandhi. And Proceedings of the UGC sponsored Two-day National Conference was released by Prof. A.H. Rajasab Vice-chancellor of Tumkur University. It included the ISSN number.

K.N. Rajanna M.L.A. of Madhugiri Constituency & President, The Karnataka State Co-operative Apex Bank Ltd., who inaugurated the conference spoke in his inaugural speech that Gandhian philosophy is model to stop the civilian wars in the world. Gandhi did not occupy the any higher constitutional positions but he is worldwide famous because he followed the words what he preached. But till today we could not possible to fulfil and have not totally implemented the Gandhian concepts of Gram Swaraj, Rama Rajya, to curb the alcohol addiction, elimination of poverty, self-employment programmes. Today's youth should save the Gandhi's freedom; otherwise we may lose the freedom added in his speech.

Advocate General Prof. Ravivarma Kumar expressed that national wealth has been centralised in the few persons like Ambani, Ajim Premji, and Narayan Murthy because of economic liberalisation. In our national mineral wealth has been looting with paying the tax or state money. Transportation of the State mineral wealth to another state should be stopped. If we used the mineral wealth of Tumakuru District sufficiently, we do not necessary to pay the tax upto 10 years.

Today in rural area also, parents send their children to English medium schools. We are insulting the Gandhiji continuously because he was a strong supporter of mother tongue education. Capitalists are trying to convert the education system as privatisation. Some people are giving miss-propaganda on reservation of Dalits and other backward classes in the education which was fixed upto 10 years only. He clarified that there is no time bond in the Article 15 (4) relates to education, article 14 (4) relates to employment field.

In the Karnataka state there is living legend of untouchability in twenty nine thousand villages. Dalits are living aside the village. Untouchability did not curb completely even the constitution was implemented from 65 years. Hence, the statements to stop the reservations of dalits and other backward community are meaningless.

We have adopted improper education system, it is orphan to the country and we are insulting the Gandhian ideologies. Professional education turned as business because establishment of medical college is considered as a fundamental right. But the studying of medical is not a fundamental right. So, the doctors of this country are going to serve in abroad.

Today the personality of Gandhi is analyzing as the guardian of Hindu religion and casteism. But Gandhiji did not attach with a particular religion. Gandhiji was made inter-caste marriage in his Sevashrama. As per the reference of French Author Mark Lindley quoted in his essay Gandhi made a promise not to go for self religious marriages in 1946. It is unfortunate that parents are killing their children for marrying outside the case in the name of honour killing. The government should implement stricter legislations to check such practices and encourage inter-caste marriages,” he added. Stating that Mahatma Gandhi had encouraged inter-caste marriages, he said every incidence of honour killing in his land seems like an assassination of Gandhi himself.

There is fulfilled the dream of Gandhian Gram Swaraj only, power decentralization was made through panchayat system with reservation of 50% women reservation and giving the particular reservation of Scheduled Caste and Scheduled Tribe people. This is also considered as first revolution of equality. He appreciate that the aspirations of Ambedkar and Gandhi were fulfilled with the implementation of these things.

Prof. A.H. Rajasab addressed the gathering delegates that there is no possibility to see the farmers' suicide if successful implementation of Grama swaraj philosophy was implemented by the Union and State Governments. There is no life in the villages, so villagers are transmitting to the urban areas. Kannada schools are closing because of attacking the English school. Privatisation and multinational culture is practicing grandly. With this there is possible to remember the Gandhi because at the time of violation of fundamental rights, non-violence, sad events would be arisen in the daily life.

Prof. D. Shivalingaiah was attended in the function as a Guest of Honour. Principal Dr. M. Jayaramu was made presidential remarks of the function. In his presidential remarks he congratulated the organizers such a kind of wonderful event. Presence of Sri B. Kariyanna Vice-Principal was in the function. Dr. Joy Nerella Associate Professor of Economics was given vote of thanks to all the dignitaries on the dais and off the dais. Anchoring was made by Sri. Ravi C.M. Assistant Professor of English.

The **valedictory function of the Conference** was held on 06th October 2015, Tuesday with the welcome address was given by Smt. Girija K.S. Assistant Professor of Political Science.

Prof. G. Ramakrishna named Gandhian was given valedictory address to the delegates of Conference. Before the independence, single company i.e. East India Company was occupied the Country, but at present condition several companies are attracted by the government with red carpet. If the situation continues, nation can be occupied by several companies and future of India will be turned to monocratic administration he added. Gandhian philosophy is near because of youth service, employment restructure, business and commerce, education, women equality; freedom etc. in the world, but in the purview of national government/ nation Gandhi is far from the implementation of his ideas. And Prof.
