Dear All,

Hebrew University in Jerusalem is ranked among top 100 Universities in the world. The Robert H. Smith Faculty of Agriculture, Food & Environment in the Hebrew University is the only Institute in Israel that awards academic degrees in Agricultural Sciences. The Faculty is credited with several cutting edge technologies in diverse areas such as planned breeding, pest control, water conservation, etc.

The Robert H. Smith Faculty of Agriculture, Food & Environment is offering 12-month, English language M.Sc programmes in Nutrition and in Agriculture & Animal Sciences. Full and partial scholarships are available under these programmes. More details regarding these programmes can be found at : <http://intschool.agri.huji.ac.il/> You may also write to Nurit Ben Aharon on the email: [nuritbe@savion.huji.ac.il](mailto:nuritbe@savion.huji.ac.il) for further clarifications. Last date for receiving the applications for the programme is March 1, 2017.

We request you to circulate this information among your students, who may benefit from the programme.

*28/12/16*  
*B. Sawyer - To publish in TU website*
