The unprecedented crisis of COVID-19 that has compelled us to transition to a virtual world. Our social, cultural, economic and education landscape has changed at a very rapid pace and scale.

In the transitioning process, we are faced with several challenges and issues, and in such times, developing a resilient attitude, along with a mindset to manage risks and decision making skills become pertinent.

FICCI, in association with Institute of Risk Management (IRM) London, is organizing a webinar on the theme '**Building Resilience : Risk Management in Education**' on **June 25, 2020 from 4:00 pm- 5:00 pm (IST)**. The webinar will discuss the relevance and the need to use the principles of risk management to shape a path through the crisis situation and minimize the lasting negative impacts.

We would like to invite you & nominate 1-2 senior education leaders (such as deans/directors) from your institution join the webinar on June 25th. The registration can be done by clicking on the link below :
