Sir/Madam,

Greetings from UGC, South Western Regional Office, Bengaluru!

This is in continuation of this office letters requesting to nominate SWAYAM mentors in each Institution. In this regard, I request you that UGC has taken the initiative to popularize MOOCs available in SWAYAM Platform which will benefit the students with the best quality of Lectures & curricular content.

Kindly go through the attached note on SWAYAM, if you need further information. Details about SWAYAM is attached (Annexure - I).

Please appoint a suitable teacher as the SWAYAM Mentor in your college at the earliest & send his/her details in the following link.

<https://goo.gl/forms/zKonWUxMAbrqeHhE3>

Thanking you

## What is SWAYAM?

SWAYAM is a digital platform which gives open access to information, education and learning to anywhere, anytime to everyone. It is a portfolio of interactive online courses made available free over internet under the initiative of Ministry of Human Resource Development, Government of India. Honourable President of India launched SWAYAM ((Study Webs of Active -Learning for Young Aspiring Minds) on 9<sup>th</sup> July 2017. It is designed to achieve increased access, better equity and higher quality of educational opportunities. Used wisely and creatively, this is expected to have transformational effects in the quality of teaching and learning in our institutions of higher education. The objective of this effort is to take the best teaching and learning resources to all. SWAYAM is an India specific MOOC that has been evolving everyday in terms of content, richness and breadth of courses.

## What is a MOOC?

Massive Open Online Courses (MOOCs) are courses made available over the Internet. Most forms of MOOCs provide unlimited participation at free of cost. Well designed MOOCs are highly engaging with the participants. For example, the courses hosted on SWAYAM has video lecture, specially prepared reading material that can be downloaded/printed, tests, quizzes and an online discussion forum for clearing the doubts. Please visit <https://swayam.gov.in/> for the latest courses and other details.

## What a College can do with SWAYAM?

SWAYAM has a vast depository of university/college level courses. These are offered by best of the teachers in India and elsewhere. More than 1,000 specially chosen faculty from across the Country have participated in preparing these courses. If a student is studying in any college, he/she can transfer the credits earned by taking these courses into their academic record. UGC (Credit Framework for Online Learning Courses through SWAYAM) Regulation is available in the link:

<http://ugcmoocs.inflibnet.ac.in/download/ugc.pdf>.

There are multiple creative ways by which SWAYAM can be integrated into the higher education experience of our students. To make SWAYAM facility available as a creative learning opportunity to more number of students, UGC seeks active participation from faculty members of Universities and colleges. UGC, in its efforts to take the SWAYAM initiative forward and encourage more HEIs to adopt the MOOCs on SWAYAM, is requesting all colleges to nominate a faculty member as SWAYAM Mentor in Colleges to promote SWAYAM Courses Colleges.

## What is the role of SWAYAM Mentors in the College?

SWAYAM mentors will be the Single Point of Contact for UGC from the College and for SWAYAM Coordinators from the respective University. They will be taking SWAYAM initiative forward in coordination with UGC and

SWAYAM Coordinators of the University (list attached separately) and promote active participation of the students by disseminating

information about the courses within across campuses.
