University College of Science
Coaching Class for entry in service cell
(For SC/ST/OBC/Minority)

A Report

University College of Science organized three months training programme for entry in Service Cell for students of the college who belong to SC/ST/OBC/Minority communities. More than 30 IAS and KAS officers from the state participated as resource persons to train the students. They shared their experiences, preparations needed and also guided the students to face these competitive exams successfully. Subject experts from the college and other institutions also participated in the programme as resource persons. The students utilized this opportunity well by attending the classes regularly. The classes were conducted between 4pm and 7pm everyday, including Sundays.

The closing ceremony of the programme was organized on 29th March, 2012 at the college premises. Dr. AM Manjunatha, the convener of the programme welcomed the gathering. Prof. N.Laxmikantha, Registrar (Evaluation) was the Chief Guest. He appreciated the efforts taken by the coordinator of the programme, Dr.PM Gangadhariah and his team. He wished good luck to all the IAS aspiring students. He distributed the certificates to all the participated students, service cell members as well as resource persons. Mr. Suresh B K, Finance Officer inspired the students by giving focused guidelines to take up competitive exams. Few students shared their experiences. The coordinator of the programme, Dr.PM Gangadhariah his experience of organizing this programme successfully and thanked the support given by the college, members, resource persons and students. Mrs. Jyothi, a member of the service cell anchored the programme.
