TUMKUR

REGULATION FOR M.A. PUBLIC ADMINISTRATION PROGRAMME

1. Introduction:

The M.A. Public Administration Course offered by Tumkur University is spread over four semesters. The objective of the course is to provide a firm grounding in the subject, develop analytical skill and to provide a 'realistic' perspective to the local, national and international issues that figure in the syllabus.

The syllabus has been completely updated and many new papers are being offered in keeping with the changing times and circumstances, as well as the larger societal needs. The course content includes papers in core areas of Public Administration, Public Management, Human Rights, Administrative Thinkers and Research Methods.

All the papers in the syllabus are provided with an extensive list of 'References', along with a list of 'Journals'. Each teacher will provide an 'additional reading list' during the course. Students will be required to submit regular 'assignments' and also make paper presentations at regular 'class' and 'departmental' seminars that will be organized as part of the course. The goals and objectives of the M.A. Public Administration programme are as follows:

- To impart quality education to those seeking admission to the M.A. Public Administration programme.
- To equip the students to prepare themselves for careers in teaching and research, the union and state civil services, and the non-governmental sector.
